	Law 4 Some of the objects are mercantile in their character, and some others are vague so may be deemed to fall under S. 4 of the Companies Regn (VIII of 1913). Hence, I do not think it can be registered under Regn III of 1904. Secy with compts. 9/9

A 5 The L.R.'s opinion that the Assn has to be registered under the Companies Regn may be communicated to the Hon'ble President.

6 I personally don't see what objection there could be to the rule as it originally stood viz

"The election of the President shall be subject to the approval of the Govt",

with the proviso that the first Presidt shall be nominated by Govt. This proviso would enable Govt to nominate (as they have actually done) the K.R. Srinivasa Iyengar

8) B The latter alternative Namely that the Pdt shall be nominated by Govt may be appd - for some years The activity of the Association should be controlled and directed as far as possible by Govt and this is secured by having their nominee as the Head of the Assn.

MYSORE SILK ASSOCIATION.

ಮೈಸೂರು ರೇಷ್ಮೆಸಂಘ.

MR. K. R. SRINIVASA IYENGAR, M.A.
Honorary President.

REV. SECRETARIAT 1523 16 AUG. 1929 DEVELOPMENT BRANCH.

Bangalore,

10th August'29

Dear Sir,

With reference to your D.O. No: D.1604 dated 7-8-1928, addressed to Mr. H.S. Govinda Rao, Honorary Secretary of the Mysore Silk Association, favouring the Association with the views of the Government regarding the draft Memorandum and Articles of Association of the Mysore Silk Association, I have to state that in view of the fact that the Association has been formed with the object of encouraging silk industry and not of making any profits for its members it has been decided on further consideration to have it Registered under Regulation III of 1904, instead of under the Mysore Companies Regulation. The draft Memorandum and Rules have accordingly been recast so as to fit in with that Regulation and I enclose herewith a copy of the draft for your perusal and remarks.

With regard to the points raised by you in Clause 3. B. of the note received with your letter in the matter of the election of the President and the Secretary, I wish to bring to the notice of the Government that there are certain obvious disadvantages and difficulties in obtaining the approval of Government for the nomination of candidates for the President's and Secretary's places before actual election. If the Government do not view with favour the proposals already made to make the election of the President and Secretary subject to the approval of the Government, I would suggest that the President of the Association may be nominated by the Government themselves instead of being elected by the Association, the Secretary or Secretaries being left to be elected by the Association itself.

Yours Sincerely,

Honorary President.

To
N. RAMA RAO, Esq., B.A.,B.L.,
Secretary to Government,
Development Departments,
Bangalore.
